### *Transformation*

On **November 3<sup>rd</sup>**, Julie Lebrun from St Andrew's, Robert Brown from Catalyst and Christine Scott from Kinsight presented our re-development project to the Tri-Cities Homelessness and Housing Task Group. They are very happy to see such a project for the Tri-Cities and will support it at a public hearing.

On **Tuesday, November 7**, St. Andrews, Catalyst, Kinsight and SHARE presented our re-development project to the Port Moody Community Planning Advisory Committee. This is a group of City Councillors, staff, and representatives from each of Port Moody's neighborhoods. Public comments were also welcomed.

**The response to our presentation was overwhelmingly positive**, and the **CPAC unanimously approved** a motion to recommend our project to Port Moody City Council.

**A sign** indicating our redevelopment is now up on our property.

The next step in the approval process will be 3 Council readings. The third reading will be a public hearing, most likely early in the New Year. At this point, the City will have the opportunity to approve our applications for rezoning and development permits. We will make an announcement as soon as we know the date of that hearing.

*Any time you have questions, please talk with any of us: Julie Lebrun, Brian Asselstine, Jan Morrissey, Charlie Young and Sue McIntyre, and your Interim Worship Task Group members: Julie Asselstine and Diane DeGroot.*
